Re: Recommendation of Phil Rose

To Whom It May Concern:

I first met Phil Rose when I was on the hunt for a last minute disc jockey for one of my events. It was down to the wire and Phil helped me out. Phil is a very genuine person who strives to help his clients with everything he can. He is very diligent and cares about his product and services.

As a community representative and an event coordinator I have seen some pretty bad disc jockeys. Phil Rose and Full Throttle Entertainment is by far the best experience I have had. Phil and Full Throttle Entertainment work hard to make entertainment more than just a music player, they turn the event into an audio and visual experience that is appropriate to their audience. Full Throttle Entertainment interact with the event to keep the audience pleased.

Phil Rose is a fantastic person and Full Throttle Entertainment is a true reflection of the enjoyment Phil receives when he is helping others to enjoy themselves. I intend to employ Full Throttle Entertainment at all of my future events. I highly recommend Phil Rose and Full Throttle Entertainment to all my peers and anyone else looking for more in their event entertainment.

Sincerely,
